Overview

Diane, with over 40 years in the child care field, is originally from the United Kingdom and has helped numerous families in both the UK and U.S. Her experience ranges from long-term nanny, pre-school teacher, and now as a Newborn Care Specialist. Diane has experience with special needs children and is certified in both CPR and First Aid. Diane's experience also includes having volunteered at Womans and Infants hospital providing nurturing support to newborns having Neonatal Abstinence Syndrome.
